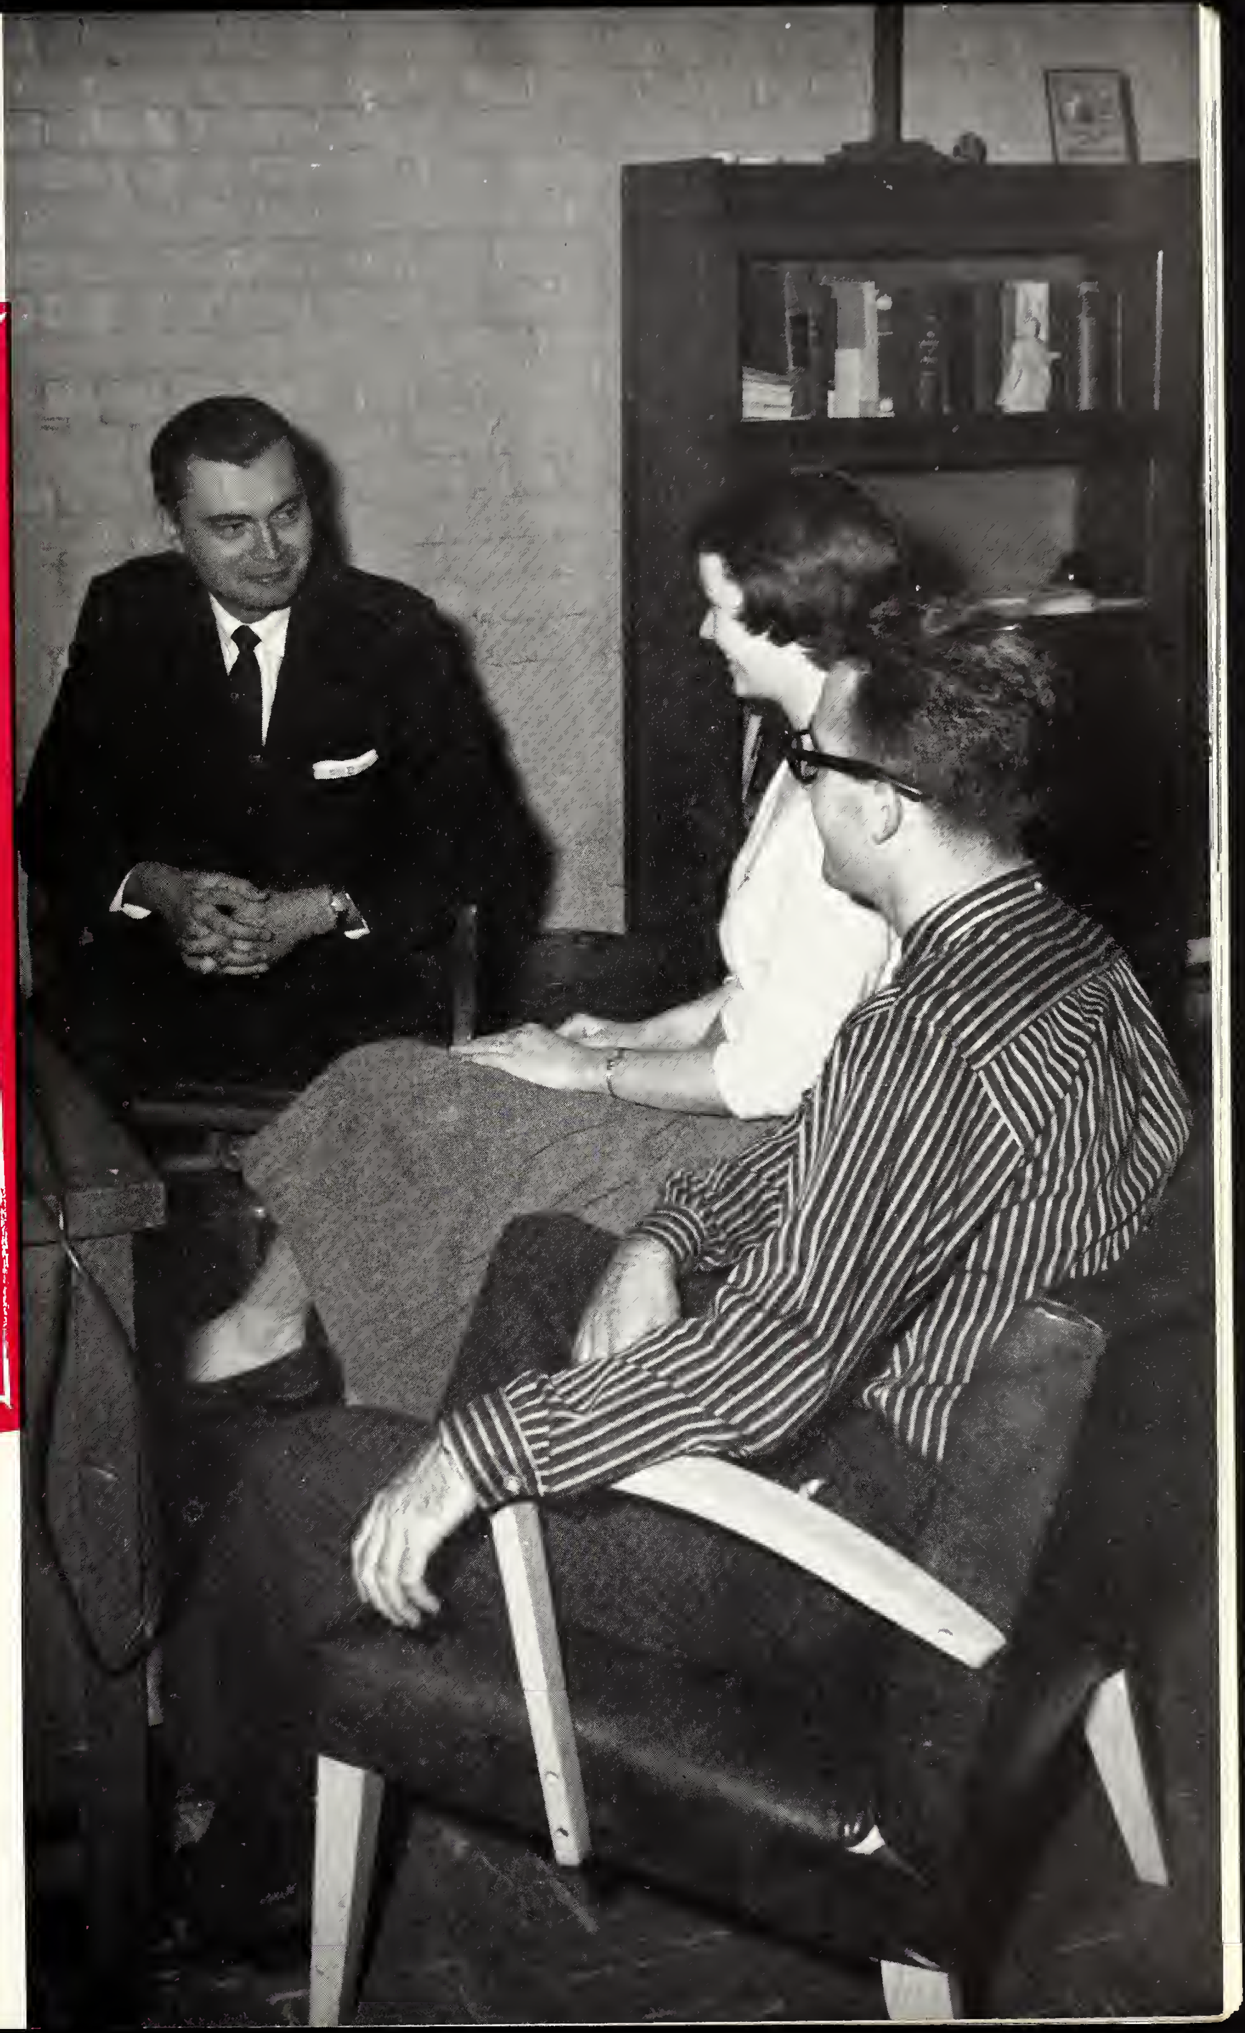
Profile of a Modern Student

foreword

The life of any university depends upon its students—students who enter the "doors of learning" for a brief period in their lives, but who leave their mark upon the campus. The "Profile of a Modern Student" as he is in all phases of his campus life—studying, playing, working, and worshipping—is illustrated on the following pages.



"I love to go a-wandering . . ."

The student's social life is a long-remembered part of his college days. . . The Homecoming dance, the exchanges, the bridge games in the SUB—all these are a part of the fun, the festivities, and the frolic of life on the Millikin campus.

Frosh Arrive . . .

There's no place like home!

But I don't wanna take Organ.

Freshmen received their first impression of Millikin—an impression of fun and light-hearted spirit—at the annual Freshman Camp held this year at Allerton Park.

On their arrival at Millikin they were greeted with rush week—for the girls a week of parties and nervousness with an emphasis on the social graces; for the boys a week of friendly handshakes, pats on the back, and free meals.

Seniors "Move In"

The freshmen first learned that there was more to Millikin than fun and parties when they fought the registration line. They were then ready for the serious business of study as the first week of classes began.

So, Ah sez to him, Ah sez.

"Baby, It's Cold Outside"

"Thru the Years" was the theme of the totally musical Homecoming Show, produced by Carol Mavon and Judy Eskridge. A bonfire and pep rally followed on the east campus. Pat Norton and Roma Bradley, dressed as bluebirds to follow the Homecoming theme, "A Bird's Eye View of Our MU," led cheers along with the cheerleaders both at the pep rally and at the game the next day. The Big Blue dropped a 12-6 heart-breaker as North Central scored a touchdown in the last 20 seconds of play. At halftime, Carole Brooks was crowned as 1959 Homecoming Queen and trophies for float and house decorations were awarded.

The sophomores were victorious once again as the traditional freshman-sophomore games kicked off the Homecoming weekend. The victory was the second in a row for the class which as freshmen had won in 1958.

Tau Kappa Epsilon, Zeta Tau Alpha, Pi Beta Phi, and Sigma Alpha Epsilon won trophies under the new Homecoming house and float decoration rules. Under the new rules, men's and women's organizations compete for separate trophies in each division.

The TKE house decoration was a Tennessee mountain scene with an old corn liquor still and moonshiner. The theme was "We're Still Brewing for You, Alums."

Zeta transformed their front lawn into a chicken yard with a henhouse and a huge worm - seeking chicken making appropriate noises. The theme was "Welcome Back to the Henhouse."

Pi Beta Phi won the float division with the theme "North Central's in Dutch!" Their float was gaily decorated with traditional Dutch tulips, windmill, and costumed Dutch girls.

SAE captured the men's trophy with a gigantic, realistic lion illustrating the theme, "We're Lion for Them."

Pat Aukland, junior from Loda, represented Alpha Chi Omega. She was also selected for "Who's Who" and was assistant editor of the **Decaturian.** She has sandy hair and bright hazel eyes and is a secretarial science major.

Linda Laue, senior from Effingham, was the President of Delta Delta Delta. An English and history student, Linda has hazel eyes and long blonde hair usually seen in a pony tail or in a French roll at the back of her head. She was selected for recognition in "Who's Who in American Colleges and Universities."

Campus Chest

Millikin's 1959 Campus Chest Week was a social and educational success. Tom Forester was awarded the Ecumenical Work Camp Scholarship, and funds were donated to the National Scholarships and Service Fund for Negro Students and to World University Service. Co-chairmen Sandy Bertash and Barb Butler stressed the educational aspects by bringing representatives from each of these organizations to speak at chapel.

The social highlight of the week was the live jazz concert—the first of its kind on the Millikin campus. Bob Scobey's Frisco Jazz Band featuring vocalist Clancy Hayes pleased a crowd of over 500 with two hours of rollicking San Francisco style jazz. Other events included a carnival, "The Big Top," and a "Campus Chest Candyland" dance. Alpha Kappa Lambda won the trophy for raising the most money at the carnival, and Tau Kappa Epsilon's Bryce Boston was crowned Mr. Campus Chest.

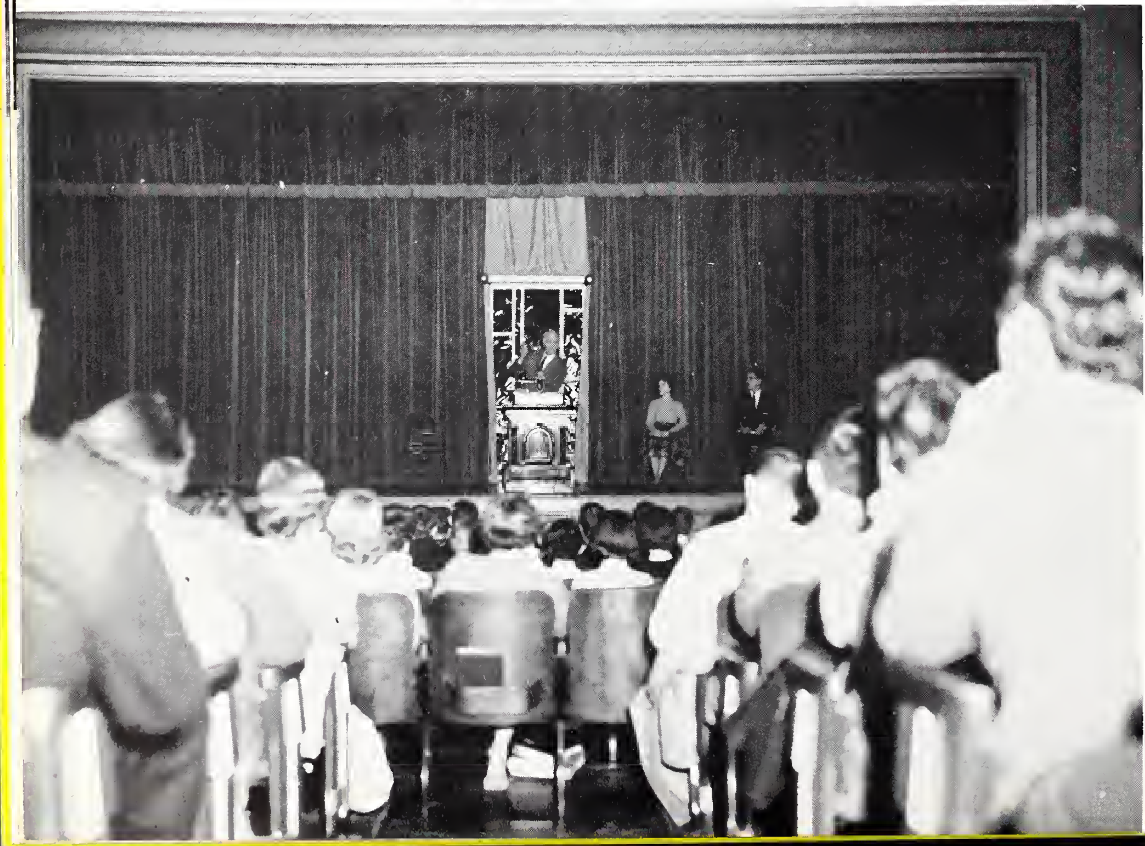
Bob Scobey "entertains."

Mary Gage and Jane Unzicker served as co-chairmen of R. E. Week.

Religious Emphasis Week this year was shorter than last year but more intensive. Co-chairmen were Mary Gage, junior from Decatur, and Jane Unzicker, junior from Champaign.

R. E. Week started with a Student-Faculty Discussion on Sunday night at the home of President and Mrs. Paul L. McKay. Other events on the three-day program included a religious art exhibit, religious books reviews and sales, informal coffee hours, chapels, and devotions. The 16th Century morality play **Everyman** was presented by the drama department on Tuesday afternoon. The R. E. Week theme, "Commanded for a Journey" was taken from this play.

Short devotional services were held after hours in the houses and dorms.



Dr. Crane delivered many inspiring messages in his talks to the student body.

Religious Emphasis Week

Speaker for this year's Religious Emphasis Week was Dr. Henry Hitt Crane, a native of Danville, Ill.

Dr. Crane was educated at the Boston Latin School, Connecticut Wesleyan University, Boston University School of Theology, and Harvard University.

Dr. Crane was minister at the Central Methodist Church in Detroit for twenty years—the longest pastorate in the history of that church—before retiring in 1958. Dr. Crane is one of the best-known pacifist leaders on the continent.

Coffee hours gave students a chance to talk personally with Dr. Crane.

Students came to morning devotions in Malone Chapel.

Fads and Fashions

The year 1960 brought many new fads and fashions to the M. U. campus —of which the following were **not** typical! However, these styles were "discovered" in 1960. Who knows for '61?

Phi Mu Alpha and Sigma Alpha Iota, Millikin's national professional music fraternities, sponsored the production of Puccini's opera, "La Boheme," which was presented in English on March 24, 25, and 26. For the first time in the school's history, the annual opera was entirely managed and produced by students.

Don Turner, senior from Decatur, played the male lead of Warwick.

Town and Gown's second production was a night of one-act Eugene O'Neill plays: "The Long Voyage Home," "Ile," and "The Rope."

The Millikin drama department also performed the 16th Century morality play "Everyman" during Religious Emphasis Week. Dr. Jere Mickel played Everyman.

It was a "Long Voyage Home."

Phi Mu Alpha, men's professional music fraternity, was founded on Oct 6, 1898. The fraternity welcomes any man interested in music, even though he is not enrolled in the School of Music. Beta Theta chapter at Millikin was established on Oct. 17, 1929.

The four principles of Phi Mu Alpha are to advance the cause of music in America, to promote the general welfare of students of music; to foster the mutual welfare and brotherhood of students of music, and to encourage loyalty to the Alma Mater.

During this, its 30th anniversary year, the local chapter entertained the sororities and residence halls with the first serenade in four-part harmony to be presented by any fraternity on campus. The members of Beta Theta were hosts to the province convention and presented a classical concert and an American Contemporary program.

This fraternity collaborates with Sigma Alpha Iota, women's professional music sorority, on many projects. In 1959-1960 these two organizations sponsored a freshman mixer for new music students, presented a Christmas Eve radio program of their own recorded choral music on local station WSOY, sponsored the annual Millikin Sing, and climaxed the year's achievements with a complete presentation of **La Boheme.**

DECATURIAN

The **Decaturian,** under the leadership of Advisor Robert V. Cramer, Editor Fred McTaggart, and Business Manager Dave Ast, continued to inform, instruct, and entertain the Millikin community.

The accomplishments of this year's Dec staff included obtaining a Millikin mascot and recruiting the largest journalism class in over ten years.

At the MacMurray College Newspaper Conference at Jacksonville, attended by four Dec staffers and Advisor Robert Cramer, professional newsmen from the Chicago Sun-Times, Chicago Daily News, and the St. Louis Globe-Democrat gave favorable criticism to Dec news and feature stories, editorials, and make-up.

Through its editorial columns, the **Decaturian** spearheaded a drive to improve school spirit and to improve cooperation among campus organizations. The Dec gave full support to the 15-Point Development Program for Excellence and printed periodical progress reports.

Valuable assistance was given by Assistant Editor Pat Aukland, News Editor Emilyann Berg, Society Editor Judy Aukland, and Sports Editor Tony Chamblin.

MILLIDEK

The 1960 **Millidek** is designed with you, the student, in mind. It was our intention to portray the typical college student in all aspects of his life on campus—living, working, playing, worshipping. Each part of the student's life tends to mold him into what he will become in his adult years.

Many new features have been added to this year's yearbook to make it a book which will appeal to the modern student. The use of a four color process picture and the running of three colors in the opening section have added immensely to the quality of the yearbook. In addition, the faculty section has been changed to include an individual informal picture of every faculty member and personnel employee. The Homecoming portion of the book has been enlarged to include two separate pages for the Homecoming Queen, and a special "Fads and Fashions" section has been added. Furthermore, the 1960 **Millidek** has given greater coverage to such cultural activities as the opera, the Town and Gown plays, and Fine Arts.

We, the staff of the 1960 **Millidek,** hope that these changes and innovations meet your approval.

STUDENT COUNCIL

Student Council, the governmental body of Millikin, serves as a bridge between students and faculty for discussion of problems and conflicts.

Under the leadership of President Ed Belcher, Council sponsored the annual Student-Faculty Retreat and discussed a revision in its Constitution.

It also provided activities for the entire student population: All-School Mixer, "Toddlers' Trot," novelty dance, Homecoming, the valentine dance "Rhapsody in Red," the Spring Fever Dance, and the Junior-Senior Prom.

Carole Brooks, as vice president, handled social events.

Inter-Fraternity Council is composed of the presidents, faculty advisors, and two other representatives from each men's Greek-letter social organization. At monthly meetings, such matters as rush rules, men's intramurals, and inter-fraternity relations in general are discussed and administered. Each year, the Council holds a dance.

PANHELLENIC COUNCIL

Panhellenic Council is comprised of the president and rush chairman of each of the four women's social fraternities on campus. It functions in determining rush procedures and rush rules. Later in the year the Council works to develop Panhellenic relations by sponsoring a Panhellenic banquet, a slumber party, and a dance. An annual function is the information tea given in the spring for senior girls from Decatur high schools to acquaint them with Panhellenic on a local and national basis.

ALPHA CHI OMEGA

The Alpha Chi Omega girls returned from a relaxing summer to their house newly decorated with wrought ironwork. They began a colorful and active year in September with a successful rush.

The new pledges and actives worked hard to make their annual All-School Street Dance a popular event in October.

Homecoming was an especially busy and exciting event. Pat Aukland was selected as our queen candidate, and our float received second place in competition. Carol Mavon, our president, was author of the entire Homecoming Show this year.

About 35 underprivileged children were special guests at the annual Christmas Party given by the Alpha Chis with songs, refreshments, and gifts for the children.

All the girls were busy during the year in school activities. Carol Mavon served her second year as co-editor of the **Millidek.** Linda Stivers was elected president

DELTA DELTA DELTA

The school year 1959-1960 brought the Tri Deltas back from a summer trip to Wisconsin for a national Delta Delta Delta Leadership School, where they tied for the largest delegation in attendance.

The year was a busy one for all the girls who participated in many school activities. Sharon Jenne and Jan Steinheimer were chosen as Big Blue cheerleaders. Barbara Cassell was elected as junior class treasurer. Tri Deltas who served on publications were Carol Frede, co-editor of the **Millidek**; Linda Laue, editor of the Student Directory; and Barbara Borders, editor of the Student Handbook. Linda Laue, Carol Frede, and Marliere Ahlenius were elected to "Who's Who." Sandra

PI BETA PHI

Pi Beta Phi began their 1959-1960 year by pledging twelve lovely girls.

The many hours of work for Homecoming were all made worthwhile when Karla Fleck, Homecoming Co - chairman, presented us with a first-place trophy for our float. The biggest highlight of the weekend came when last year's queen, Linda Brown Plambeck, crowned Carole Brooks Homecoming Queen. Since Carole is the third consecutive Pi Phi Homecoming Queen, the trophy was retired.

The Pi Phi's were active on campus with Carole Brooks, Karla Fleck and Beverly Bray as cheerleaders and Roma Bradley as atlernate. Mary Gage served as Junior Class vice - president and Karla Fleck served as secretary. Sherry Skidmore was vice-president and Deanna Law was secretary of the Sophomore Class. Beverly Bray was elected vice-president and Roma Bradley was elected treasurer of the Freshman Class.

Carole Brooks served as Vice-President

ZETA TAU ALPHA

After returning from a summer filled with study, activities, and fun, the Zetas began their fall semester. With pep, enthusiasm, and hard work, we proceeded to capture first place in Homecoming house - decoration competition, women's division.

Informal house dances, such as "Autumn in New York," kept our social calendar filled. Our annual tree trimming party and Christmas dinner ushered in the holiday season. Highlighting the end of the first semester was the formal dance, "Crystal Castle," a traditional event.

Second semester, two informal dances, a faculty buffet, and the annual scholarship dinner marked the calendar of events.

Prominent in many activities, the Zetas led the way in various phases of campus life. Helen Patrick, chapter president, was elected to "Who's Who in American Colleges and Universities;" Jane Unzicker was co-chairman of Religious Emphasis Week and chaplain of SAI.

We wish to thank Mrs. Scherer, our chapter advisor; and Mr. and Mrs. Brown, our faculty advisors, for their help and cooperation throughout the year. Their efforts were deeply appreciated.

As the school year comes to a close, many of the Zetas are looking forward to the International Convention which will be held June 21-26 in Quebec at the Chateau Frontenac.

ALPHA KAPPA LAMBDA

Beginning the year with a fine pledge class, Pi chapter of Alpha Kappa Lambda continued strong nationally and locally in their house on Oakland Ave.

Nationally, the fraternity was presented the National Achievement Trophy and the Campus Activities Award. It is the second time the chapter has won each honor.

Bob Grenier was awarded a scholarship from AKL's national Scholarship Foundation.

Locally, AKL retired the Interfraternity Council Scholarship Trophy by having the highest scholarship among the fraternities for the third consecutive year.

The fraternity's Campus Chest booth—"Pop the Prof"—raised the most money at the carnival and won a trophy for the house.

The brothers of AKL had another active year on campus. Three men were elected to Phi Kappa Phi, four men elected to Phi Chi Alpha, one man elected to National Collegiate Players, and David Myrick and

OK, who's been using my soap?

Cliff Cox elected to "Who's Who." Steve Czerwonky served as president of SEA and La Sociedad Espanola.

And in the house, two annual parties were held—"The Roman Toga Party" and "Go to Hell with AKL." The chapter had a spring formal as well as pledge dance and date nights.

In April the brothers went to Purdue to participate in AKL's annual Tri-State Weekend. In August representatives will attend the National Conclave in Estes Park, Colorado.

Social highlights of the year included the annual fall hayride, a pledge dance, a winter dance, a spring formal, and our annual "Sailors' Ball." The chapter held "open house" after Millikin home basketball games.

Delta Sigma Phi was well-represented in campus activities and organizations. Ed Belcher headed the student body as Student Council president. Bill Stoutenborough served as treasurer of Student Council. Konnie Pirtle was elected president of the Junior Class and Jerry Domescik headed the Sophomore Class. Terry Gibbons for the second straight year was rush chairman, and his efforts paid off with a fine pledge class. The pledge class took charge of building the Homecoming float and came up with a winner. Their huge lion was realistic, and it carried the theme "We're Lion for Them."

MILLIKIN INDEPENDENT ASSOCIATION

The Millikin Independent Association started the year off with many projects for the future. Our Homecoming Queen candidate was Alice Coberly.

Our main interest is Tuck Soo who was adopted in the fall of 1958. He is 11 years old and is in the 5th grade. Each month we send him $10 for his food and schooling. This year we gave "An Evening with the Living Theatre" for Tuck Soo's benefit. Already plans are being made for next year's benefit show. It is our desire to help this young man to achieve his ambitions in life and to make available to him the opportunity of college education. It is MIA's hope that other organizations will become interested and concerned about our little friends across the sea. They need you, and believe it or not, you need them.

Our deepest thanks go to our advisor, Mr. William Williams whose help has given us so much encouragement to do all the better.

COACHES

Ralph Allan

Don Shroyer

Chuck Ross

In 13 seasons at Millikin, Athletic Director and Head Basketball Coach Ralph Allan has had the distinction of taking two teams to NAIA small-college tournament in Kansas City. In 1951, Allan's team took second place in the tournament. Coach Allan has also guided the Big Blue to five College Conference of Illinois championships.

A star halfback for Millikin in his college days, Don Shroyer has coached Big Blue football teams for the past four years. A perfectionist, Coach Shroyer believes in a rigid training program and feels that desire is an important characteristic of any athlete.

Chuck Ross was a welcome addition to the Millikin coaching staff in 1959-1960. A former professional boxer, Ross organized and coached Millikin's first wrestling team which finished with an undefeated season and a fourth-place in the College Conference of Illinois meet. Ross also coached baseball and was assistant football coach.

Chuck Davelis

1960 "M" MAN

The **Millidek** has selected Chuck Davelis, senior from Argo, as "M" Man for 1960. The award is based on athletic ability, scholarship, sportsmanship and extracurricular activities.

Davelis, the only senior on this year's football squad, was also captain and leading pass receiver for the Big Blue. He lettered all four years and was a regular three seasons. Davelis also was chosen by the **Decaturian** as Lineman of the Year.

Davelis is also a trackman. He runs the 440 and 220 and anchors the mile relay team. Football Coach Don Shroyer uses agile Davelis at halfback on defense to take advantage of his speed and height.

Chuck is a physical education major and wants to be a high school coach and history teacher. He's treasurer of his senior class and of Sigma Alpha Epsilon Fraternity and is a member of the "M" Club.

The overall record of two victories and six defeats does not give a true picture of the 1959 football season. With two exceptions, Millikin was a freshman-sophomore team facing varsity competition. Coach Don Shroyer had a small squad of 26 boys and, of these, only two were upperclassmen — senior, Chuck Davelis and junior, Kenny Hartrich. Another junior, Dick Vlk, sat out most of the season with an injury.

Fight For The Blue

The cheerleaders this year tried to add a new wrinkle to Homecoming by adding the "Blue Birds" and increasing their cheering squad for the big game. The students enjoyed this addition.

The basketball season saw another new addition to the cheering squad —new uniforms! The girls tested the new all-white skirts and sweaters for the student body, and they were well-liked.

Tom Taylor, Captain and Coach Ralph Allan

In basketball, as in football, inexperience was the main factor in a disappointing season. Captain Tom Taylor and Glen (Bunny) Elms were the only seniors on the squad. Moreover, Elms used up his college eligibility at the end of the first semester.

Juniors, Vic Trantina, Bruce Grimes, and Tony Lents, and freshman Steve Hengst, along with Taylor and Elms, were the mainstays of the team. Several freshmen showed promise for future years.

The Big Blue finished the season with an impressive victory over Lake Forest—probably one of its best performances in the past three years.

New baseball Coach Chuck Ross had a nucleus of six returning lettermen this spring. This nucleus includes Captain Butch Ernst, Jerry Domescik, Delmar Rutz, Ron Smith, Bruce Grimes, and Garry Lonnon.

TRACK

Lacking experience, Millikin had to depend heavily on untried freshmen and sophomores for the 1960 track team. Don Shroyer, coaching track for the first time, had three lettermen, Bob Berg, who runs the 440 yard dash; Chuck Davelis, also a 440 man, and Ken Hartrich, who throws the javelin and runs the 220.

Coach Richard Paine had the biggest Big Blue golf squad in many years. However, out of a squad of 14, only three were returning letter-winners.

They were Captain Milt Bowan, Gail Hupp and Jim Engleman. Pat Kaiser, who played golf at Millikin in 1955, returned to bolster the squad.

TENNIS

Two returning letterwinners—Captain Dick Dunscomb and Jim Talbert—formed the nucleus of the Millikin tennis team this year.

Other squad members were Steve Hengst, Art Ammann, Tom Cooper, Dave Probst, and Phil Cushing.

The team played eight dual meets and competed in the College Conference of Illinois meet at Augustana.

The main activity of the Women's Athletic Association is the sponsoring of the women's intramurals program. Many sports, such as softball, bowling, basketball, and badminton, keep everyone busy throughout the year. In the spring honors are presented to W.A.A. members on the basis of the number of points that have been achieved. Also at that time a traveling trophy is presented to the organization with the greatest number of points. Sandra Hanes served as president and Dorothy McClure as faculty advisor.

CROSS-COUNTRY

Who's ahead?

The cross-country team is in its second year at Millikin. The sport was first run in inter-collegiate competition in the 1890's, and since that time has enjoyed a steady increase in popularity. Now, virtually every college in the nation takes part in some form of cross-country running.

This year the C. C. I. held the first cross-country conference meet on November 14, at Scovill Golf Course. Carroll, North Central, Elmhurst, Augustana, and Millikin competed in the conference. By next fall, all of the colleges in the C. C. I. will field cross-country teams. The team is coached by Ralph Allan.

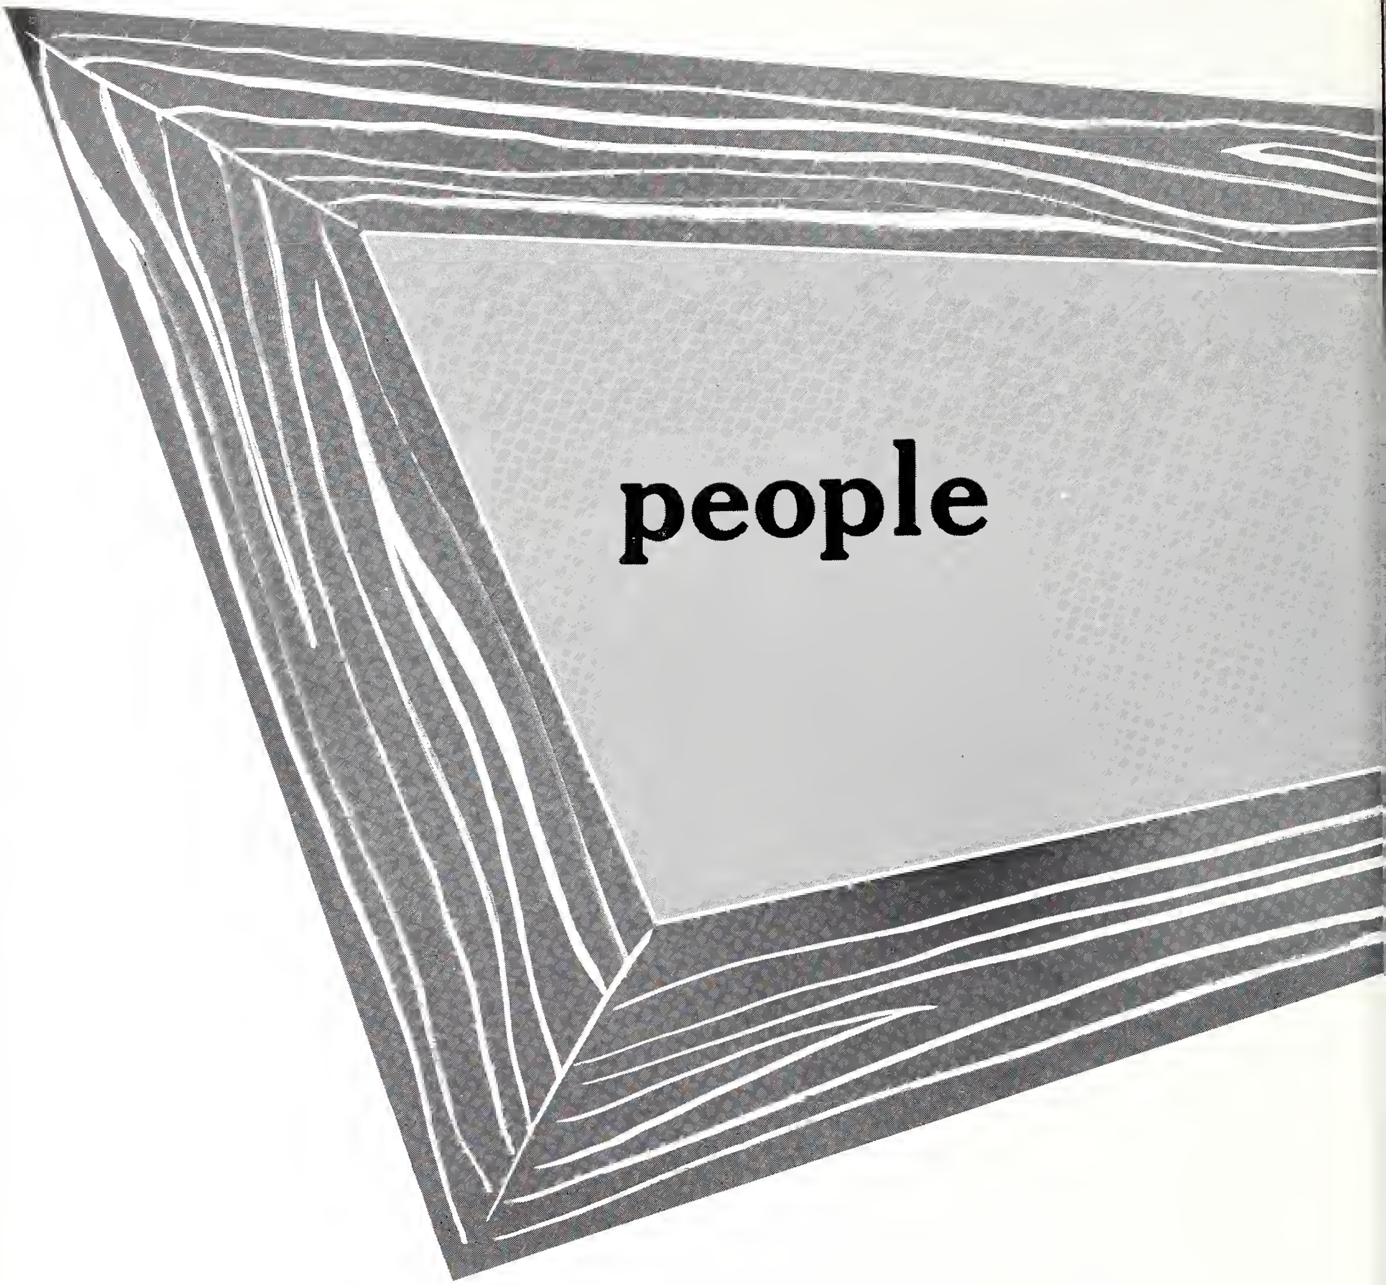
Row 2: B. Stoutenborough, J. Steadke, D. Ryan, R. Allan.



people

Dr. Paul L. McKay, Ed Belcher—these are names which represent two segments of the people found on Millikin's campus. The two segments, however, are not separate ones, for the faculty and students must each contribute its share toward making life at Millikin what it is—the studying of problems, the exchanging of ideas, and the sharing of ideals.

LIBERAL ARTS H

As leader of Millikin's "Design for Academic and Physical Excellence," President Paul L. McKay is efficient, dedicated, and capable. The new men's dormitory and the student center, which will be completed next fall, are tangible evidence of Dr. McKay's leadership. Construction work on the new women's dormitory was started early largely because of the efforts of Dr. McKay.

More intangible is the intellectual and spiritual leadership that McKay has provided. He has opened his home to the Millikin community for Student-Faculty discussions; he has stressed high academic and spiritual standards; and he has commanded the respect and admiration of all who have had the good fortune to come into close contact with him.

Knowledge . . . the key to your future!

Wise men know that knowledge is the key to the future. Knowledge is a search for truth . . . and truth is sometimes stranger than fiction. Happenings in the world today are more unusual and exciting than any mystery novel. The world is big . . . complex . . . strange . . . and yet it has a fascinating story to tell.

True adventures are waiting for you in the great books of learning. All the world's knowledge, wisdom, and experience are yours for the taking. All the wonders of our age are at your fingertips.

High school and college offer you this knowledge in courses like physics, history, chemistry, English, biology, and mathematics. In these courses you can better understand things such as sound and sight, atoms and anatomy, equations and electrons, government and grammar, or many other phenomena of nature and society.

Today . . . business and industry require an increasing knowledge of the world about us in jobs offered to young people. Tomorrow . . . even more education and training will be needed!

Such preparation today . . . can mean much to your success tomorrow.

the man who knows . . . gets ahead!
